

CONSTRUCTION BEGINS

Monday, January 29, 2024

Truckee Meadows Water Authority

Yori St, Bisby St, Record St, and Gallaway Ln Water Main Replacement

Aspen Developers Corp, under contract with Truckee Meadows Water Authority, will begin construction on Yori Avenue from Mill Street to Stewart Street. Detours will be in place for southbound traffic on Yori Avenue (see the attached map). Northbound Yori Avenue will be unaffected. Aspen will strive to minimize the disturbances and inconveniences caused by the construction; however, there will be occasions when access to your driveway or street may be limited or temporarily disrupted. If you have any questions or concerns during this project, feel free to contact the following:
