- Nov. 24-25 NO AAA
- Nov. 26-Nov. 30 Thanksgiving Break

Holiday season is here and boy, is it busy! We enjoyed Harvest time by doing pumpkin math with actual pumpkins and then with cooking pumpkin recipes. We will return to our normal math, focusing on multiplication of two digit by two digit numbers and then on to division. It is important that all facts be known by this time in Fourth grade-so keep practicing.

Language Arts finds us finishing up on point of view through the use of fairy tales and then moving into fables and myths. We will be finishing up writing a narrative related to Nevada's 150th birthday, followed by some opinion and informative pieces.

Science continues to revolve around the garden while social studies will continue to focus on early Nevadan's. We have really enjoyed harvesting and trying different vegetables from the garden and I appreciate all the help the kids have been this fall.

As always, if you have any questions or concerns, please don't hesitate to contact me. 746-5810 (school) or 287-2757 (cell)
