McCarran Blvd.	Note: The address numbering for McCarran Blvd. is inconsistent - two similar addresses may be on opposite sides of the valley. Because of this, and since most properties on McCarran are commercial, only addresses which are identified in the records of the Washoe County Assessor's Office as having a residential use are listed below. If zoning for an address not listed here is needed, contact Randy Baxley (School Planner) at 789-3831 for assistance.
