

HUFFAKER ELEMENTARY SCHOOL

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

By the 2024 SBAC, Math proficiency will grow from 43% in 2023 to 52% in 2024.

To support students to achieve this goal, we will:

1. Use i-Ready Diagnostic results to identify 3rd – 5th grade students projected to pass the SBAC at a level 3.
2. Create an intervention schedule for students to engage in i-Ready lessons.
3. Create a monthly schedule to track student engagement, tests passed, and progress towards SBAC ready.
4. Create agenda item to discuss student proficiency during weekly PLC.

Student, Staff, and Family Partnerships Goal

By the end of May 2024, Huffaker's chronic absenteeism reduced by 10% from the 2023 chronic absenteeism data of 11%.

To support students and families to achieve this goal, we will:

1. Dean will greet students and their families coming to school tardy at the start of the school day.
2. District Re-engagement facilitators attend both 3-5 and K-2 Back to School Nights
3. Daily attendance calls made to families.
4. Students at school and on-time, lead morning announcements
