### Whitehead Elementary Supply List 2023-2024

Dear JWES Families:

This is our most current school supply list for our 4<sup>th</sup> grade students for the upcoming year.

This year our class fee is \$20 per student (cash or check to Whitehead School). If you are in need of assistant please contact Mrs. Elliot, our school counselor via email [SElliott@washoeschools.net](mailto:SElliott@washoeschools.net) and/or Mrs. Paul, our principal at [dpaul@washoeschools.net](mailto:dpaul@washoeschools.net) we may be able to direct you to resources to help you get your child ready for school. **If you are interested and able to donate extra supplies or more class funds, they would go directly to your child's classroom. We would be grateful for your support!**

Thank You,  
Fourth Grade Team
