

Please Join The Jerry Whitehead Elementary PFA

Bring Parents, Guardians, Grandparents, Teachers and Staff closer together as a school family. Together we can make Jerry Whitehead Elementary School an amazing, fun school. For \$10.00 per family, your Membership will help with supplies for fun family activities at school, technology, field trips and more.

Please fill out the information below so we can contact you with upcoming events and volunteer opportunities. The membership fee is good for one year. Your family and friends can also join, volunteer or give a \$10.00 donation. Every \$10.00 will count as one membership for our membership drive contest. The Grade to get the most memberships by September 30th gets a pizza party. You can still join the PFA at any time after the contest ends.
