

Reno Huskie Happenings | Newsletter and Calendar— Sept. 2019

RESPECT HONOR STRENGTH
EVERY STUDENT EVERY DAY
WORK HARD, BE KIND, STAY HUMBLE

Updates Heading Into September

It has been a great start to the school year! Students are keeping the campus clean, hustling to classes, working hard, being kind and the overall energy on the campus has been positive. We have had our share of challenges as well but we worked through them as a school community and the experience has made us stronger in the process. September is a busy month with fall sports beginning, Homecoming, Parent Night, Club Fair, picture retakes, Senior Parent Night and the debut off The Principal Hackcast. Please review the calendar contained in this newsletter for all information related to our school. Stay on those grades, work hard and make September a great month!

10-12TH grade students will get this postcard in the mail for ACT/SAT Bootcamps offered on the RHS Campus

Emergency Management a Priority at RHS.

Starting Tuesday 9/3 we are decreasing the number of exterior doors open during the school day from 36 to 9. We kept major flow area doors unlocked but most doors on the exterior will be locked. Students will need to adjust routes to classes accordingly if they are entering the building from outside. This will be a small inconvenience at first with long term benefits. Exterior locked doors make lockdown procedures more efficient and help staff identify who is entering our building. We want to also welcome our new campus monitor, Coach Logan Tuley-Tillman. He will begin patrolling our halls sometime next week. Doors with exterior ramps for wheelchair students will remain open.

September 10th World Suicide Prevention Day

► Message from our New School Psychologist, Mrs. Crisy Perkins

Monday, September 10th is World Suicide Prevention Day. Suicide is the second leading cause of death from the ages of 10-34 (<https://www.cdc.gov/violenceprevention/suicide/fastfact.html>). The theme of this year's World Suicide Prevention Day is "Working Together to Prevent Suicide". Every life is precious, and every person can play a role in preventing suicide. Join Reno High School in the observance of this very important day by wearing purple or teal, supporting each other, reaching out to others and knowing how to get help for yourself or someone else. If you are having thoughts, know someone who is, or just want to find out more, talk to your counselor, school psychologist, or safe school professional. Together we can all make a difference! Stop Suicide Now.

You attract the
energy that you give
off. Spread good vibes.
Think positively.
Enjoy life.

JUNIORS! The PSAT is now on sale for \$17. Please see Mrs. Herman, our bookkeeper to register. Once you pay for the test, she will give you a practice booklet. The deadline to pay for this test is Friday, September 27th. There will be no exceptions to this as the test is October 16th, the first Wednesday we return from Fall break. Students can pay in person, or payment can be made online through the R store. If registration is done online, please bring receipt to Mrs. Herman so she can provide a test booklet.

Drama Club

The Booth Street Players had a successful fall audition week at the start of the school year with over 35 students who tried out to be in our production *The Importance of Being Earnest*. Decisions were tough, but our new director Dave Anderson with TMCC has created a wildly talented cast with an ensemble to incorporate more roles. Anyone who did not get cast in the show, please come help us tech with jobs ranging from costumes, lights, sound, make up, etc. We will start meeting Monday's and Wednesday's from 2:30-4:30 September 4! Our show dates are November 15, 16, 21, 22, and 23. Please mark your calendar to come see the production.

Reno High is troupe #179 in the Northern Nevada Thespian Society and we will be participating in the Leadership Conference and the Technical Olympics at SSHS Sept. 13 and 14. We are so excited to get our troupe active again and workshop with other schools around the state. Our next event will be the Northern Nevada Regional Thespian Festival December 7th at SSHS.

Finally, drama club meets every Thursday at lunch in the theatre! Come meet new people, play games, eat lunch, and work towards many fun events and goals we have set for this year.

Thank you Huskies, stay theatrical!

“Theatre, particularly theatre for children, fires the imagination, it gives our children the skills and the creativity necessary to face the world, to understand it and perhaps to change it too.” – Lyn Gardner

Testing News/Resources

- **Applying Early Action/Early Decision and want to retake the ACT or SAT?** You have time to submit your new scores if you take the ACT/SAT prior to November (varies by college/check online)
- **Free online resources:** SAT (www.sat.collegeboard.org/practice/) check out the Khan Academy partnership on the College Board website which allows you to merge your PSAT/SAT test and customize a study plan for FREE; ACT (www.actstudent.org/testprep/) lots of FREE and low cost options.
- **College and Career Center/RHS Library:** Study guides are available in The CUBE and library.
- **For-Profit Testing Companies:** There are plenty of options. Their effectiveness depends upon the student's motivation, learning style, budget. Come see Mrs. Lerude in The CUBE to discuss.

What Should College Bound Seniors be Doing?

- **Letters of Recommendation Requests:** Many colleges require a recommendation letter from your counselor and 1-2 teachers. Identify which teacher/teachers (ideally from your junior or senior year core subjects) know you the best and can speak to how you show up in the classroom. Give them information to write an effective letter: updated resume (from Junior Interview?), copy of your college essay, etc. And, **GIVE THEM A MINIMUM OF 3 WEEKS! Respect their time.**
- **Finalizing Your College List:** The goal is to have options. Options are created by a well- balanced list of schools. If you have your heart set on a highly selective school then put it on your list. Offset that by schools that you are fairly certain that you will be accepted to. Schedule an appointment with Mrs. Lerude in The CUBE to review your list. There are hundreds of choices.
- **Spreadsheet with Deadlines:** Meeting deadlines is key for maximizing financial aid options. Create a spreadsheet which lists the colleges that you are applying to and relevant deadlines: FAFSA, CSS Profile, application deadlines (sometimes accelerated to maximize aid), Early Action/Early Decision... Parents: this is a great way to support your student.
- **BYU online classes:** Make sure that your counselor knows which class/classes that you are taking.
- **Get Good Grades!** Your grades matter for scholarships, college entrance and work readiness. Good grades=merit aid=options!

Scholarships/Financial Aid

- Check out the "**Scholarship and Financial Aid**" page at www.washoeschools.net/renohsccc for an overview of the process and a place to begin. We will be updating this with specific scholarships **beginning in September**. This should be your first stop.
- **RHS General Scholarship** application will open/be posted on The CUBE website on October 1st...
- **Scholarship Matching Sheet** is available in The CUBE. Come in and sign up. We will attempt to match you with scholarships that are a good fit with your background and interests.

What Should College Bound Juniors be Doing?

- **Get good grades!** Your grades matter for scholarships, college entrance and work readiness. If you are looking for merit aid to help pay for college then you should know that the largest percentage of aid offered (next to federal need-based aid) is institutional merit aid: good grades=opportunity for merit aid.
- **Try something new** or continue participating with clubs, activities or volunteering for things that you are passionate about. Challenge yourself. Get involved!
- **Take the PSAT.** Do some review prior to the test. It is good practice for the SAT and ACT. Your score on the ACT and/or SAT matters for college entrance (some colleges), financial aid (merit and federal in some cases) and placement into some of your college classes. The PSAT is good practice and will be an assessment of how to approach standardized testing related to your post high school goals. It is also the qualifying test for National Merit Scholars.
- **Tour some colleges!** Begin with UNR's Nevada Bound Tour. You may be surprised at the great things happening on campus. Schedule your tour at <http://www.unr.edu/about/visit-campus> . This will give you context to evaluate what is important to you. Fall Break is a great time to tour (college is in session).
- **Research schools!** College Greenlight is a great source of information (on the www.washeschools.net/renohsccc site). Come to College Club. Make an appointment with Mrs. Lerude if you have questions. You will be glad, by next year, that you started now.
- Sit in on some **College Visits in The CUBE**. Check the Class Calendar on the website for up-to-date listings. The visits are informal and a great way to get a sense of what is out there.
- Begin to develop a **Standardized Testing Plan**. Do you need to do some prep? Ideally, you will have taken your standardized tests by the end of your JUNIOR year. NOTE: You will be taking the ACT at RHS late February (FREE).
- Check out our **College Planning Checklist** on www.washeschools.net/renohsccc

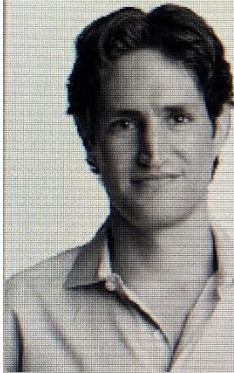

Scholarships/Financial Aid

- Check out the **"Scholarship and Financial Aid"** link on the CUBE website (www.washeschools.net/renohsccc) for an overview of the process and to get a sense for what is available. We will be updating this with specific scholarships beginning in September. The CUBE will have the most comprehensive listing of local scholarships for RHS students.
