Important – All Section 125 Plan elections, including pretax premiums and flexible spending accounts, **must be renewed annually; your signature is required for all renewed options.** Therefore, to assist in the Section 125 Plan and voluntary benefits enrollment, the District will again use the services of American Fidelity Assurance Company (AFA). AFA currently administers the District's Section 125 Plan and also offers several voluntary benefits. In addition to these services, American Fidelity also administers the District's Health Savings Account (HSA). The District's HSA contribution for 2023 will continue to be \$1,898.16 per year for active members on the Qualified High Deductible Health Plan. **Open Enrollment Changes will not be available through the Risk Management Office.**

All services to include medical, dental and prescriptions are administered by Anthem Blue Cross Blue Shield. If you wish to make a change between the PPO or the Qualified High Deductible Health Plan/HSA, please make sure you meet with an American Fidelity Representative.

American Fidelity representatives will be at your work site on designated days. Please see your site administrator to schedule a specific time to meet with a representative. If you cannot meet with an American Fidelity representative when they are at your work site, you may schedule a time to meet with a representative at another work site, on a Saturday or evening appointment, or through an online virtual appointment by calling American Fidelity at (775) 829-1313. **All Open Enrollment changes and 2023 benefit enrollment confirmations will be emailed to you by American Fidelity after your appointment. Please save your confirmation email for your records, as the District will no longer be mailing Open Enrollment Confirmation Letters at the end of the year.**

How much does this coverage cost me? Your life insurance and AD&D coverage is District-paid so there is no cost to you unless you are a part-time contracted teacher in which case your District-paid premiums will be prorated based on FTE.

Can I continue this coverage when I retire? Yes, up to a maximum of \$200,000 but certain restrictions and limitations on coverage amounts will apply and the retiree pays the premium.

Will my limits ever change? Yes, currently the amount will reduce by 50% at age 70. This is also subject to change.

What do I need to do if I need to change my beneficiary? Contact Risk Management immediately if you need to change your life insurance beneficiary for any reason, e.g., marriage, divorce, or death.

ADDITIONAL GROUP TERM LIFE INSURANCE - QUESTIONS & ANSWERS

What type of life insurance coverage is it? It is Additional Group Term Life Insurance only and does not include Accidental Death & Dismemberment and it does not build "cash value".

How much will this coverage cost me for Plan Year 2023? Premiums are age rated. Below are the current monthly rates per \$1,000 of coverage by age band. These rates are subject to change.

Age	< 25	\$0.067	25-29	\$0.067
	30-34	\$0.106	35-39	\$0.120
	40-44	\$0.132	45-49	\$0.238
	50-54	\$0.370	55-59	\$0.661
	60-64	\$1.019	65-69	\$1.467
	70-74	\$1.746	75+	\$2.076

To calculate your premium: 1. Find the rate for your age band. (Use the age you will be as of December 31, 2022.)
2. Multiply your current supplemental term life limits by this rate; 3. Divide the total by \$1,000.

Example: Employee age 47 with \$50,000 of limits would be \$11.90/month ($\$50,000 \times \$0.238 / \$1,000 = \11.90).

Will my limits ever change? At age 70 limits reduce by 50%, e.g., if you have \$50,000 of term life and you turn 70, the amount will reduce to \$25,000.

To calculate the premium: 1. Find the rate for your spouse's age band. (Use the age your spouse will be as of December 31, 2022. 2. Multiply your spouse's current supplemental term life limits by this rate; 3. Divide the total by \$1,000.

SECTION 125 BENEFIT PROGRAM

What is a Section 125 Benefit Program? It's a program under Section 125 of the Internal Revenue Code that allows an employer to take certain employee deductions on a "pretax" or "before tax" basis.

What kind of deductions can I make under the Section 125 Benefit Program? It consists of two parts:

- **Premium Conversion Plan** – Allows employee-paid health and cancer insurance premiums to be paid on a pretax basis.
- **Flexible Spending Accounts** – There are two types:
 - Dependent Day Care Expenses – Allows you to set aside up to \$5,000 per year on a pretax basis to pay for day care expenses for your children under the age of 13.
 - Non-reimbursed Medical Expenses – Allows you to set aside up to \$2,750 per year on a pretax basis to pay for expenses not covered by insurance such as deductibles, co-payments, and orthodontia. **Please note**, if you are signing up for the QHDHP/HSA, you would not be eligible for a flexible spending account for medical expenses. Instead, you can make the same contributions directly into your HSA on a tax-free basis. You may be eligible for a Limited Purpose Flexible Spending Account, please talk to your American Fidelity representative when you meet.

How does the Premium Conversion Plan work?

Example: After-Tax

Monthly Salary	\$2,000
Tax – 25%	<u>\$ 500</u>
Net Income before Deductions	\$1,500
Monthly Insurance Premium	<u>\$ 200</u>
Final Net Income	<u>\$1,300</u>

Pretax Under Section 125 Program

Monthly Salary	\$2,000
Monthly Insurance Premium	<u>\$ 200</u>
Income before Tax	\$1,800
Tax – 25%	<u>\$ 450</u>
Final Net Income	<u>\$1,350</u>

As you can see, you would have an extra \$50 in your take-home pay under the Section 125 Program.

How does a Flexible Spending Account work? Assume you have a dependent in braces & you pay \$100 per month for this service, the program would work as follows:

After-Tax

Monthly Salary	\$2,000
Tax – 25%	<u>\$ 500</u>
Net Income before Deductions	\$1,500
Monthly Dentist Payment	<u>\$ 100</u>
Final Net Income	<u>\$1,400</u>

Pretax Under Section 125 Program

Monthly Salary	\$2,000
Monthly Dentist Payment	<u>\$ 100</u>
Income before Tax	\$1,900
Tax – 25%	<u>\$ 475</u>
Final Net Income	<u>\$1,425</u>

As shown, you'd have an extra \$25 in your take-home pay under the Section 125 Program.

When does the Section 125 Plan Year start and end? It runs from January 1 through December 31.

When are deductions made? They're taken from your check each month if you're Certified/Administrator and biweekly if you're a classified employee.

Are there any fees for the Premium Conversion Plan and/or the Flexible Spending Accounts? No

Who administers the Flexible Spending Accounts? American Fidelity

How do I get reimbursed if I sign up for a Flexible Spending Account? You simply use the preloaded debit card on qualified medical expenses and/or submit a receipt to American Fidelity. You will receive additional information from American Fidelity after you enroll.

When can I enroll into a Section 125 Benefit Program? During Open Enrollment.

What happens if I don't use all the money set aside in my Flexible Spending Account by the end of December?
IMPORTANT! You will forfeit any unused moneys.

Can I stop my Section 125 Benefit Program deductions at any time? IMPORTANT! No, you cannot stop your deductions until the beginning of the next plan year unless you have a qualifying event. **However, remember that all Section 125 changes/elections must be renewed every year.**

If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. GENERAL NOTICE OF COBRA RIGHTS

This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.** The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Risk Management Department at (775) 348-0343.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace (such as Silver State Health Insurance Exchange). By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Washoe County School District, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

COVID-19 Temporary Deadline Extension for Participant Notices

In accordance with federal guidance, the Plan Administrator shall disregard the period from March 1, 2020 until 60 days after the announced end of the COVID-19 National Emergency or such other date announced by the Agencies in any future notice ("Outbreak Period") when determining the deadline for the following participant actions:

- The 60-day period for individuals to notify the plan of a COBRA qualifying event (e.g. divorce/legal separation, child attaining age 26, or SSA disability determination);
- The 60-day election period for COBRA continuation coverage after receipt of the COBRA Election Notice; and,
- The date for making COBRA premium payments (e.g. 45-day initial payment deadline and/or 30 day grace period for subsequent payments).

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 31 days after the qualifying event occurs. Your notice must provide the type of qualifying event, the date of the qualifying event, and the name and address of the employee, spouse or dependent who underwent the qualifying event. You must provide this notice to the Risk Management Department.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended:

3

- ***Disability extension of 18-month period of continuation coverage:*** If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.

- **Second qualifying event extension of 18-month period of continuation coverage:** If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family may extend their COBRA continuation coverage, for a maximum of 36 months (as measured from the first qualifying event), if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

Special COBRA Rule for Health FSAs

COBRA coverage under the Health FSA will be offered only to qualified beneficiaries losing coverage who have underspent accounts. A qualified beneficiary has an underspent account if the annual limit elected by the covered employee, reduced by the reimbursable claims submitted up to the time of the qualifying event, is equal to or more than the amount of the premiums for Health FSA COBRA coverage that will be charged for the remainder of the Plan Year. Health FSA COBRA coverage will only last until the end of the Plan Year during which the qualifying event occurred. **The use-it-or-lose rule will continue to apply, so any unused funds (in excess of any carryover amount, if applicable) will be forfeited at the end of the Plan Year (and grace period if applicable) and the Health FSA COBRA coverage will be terminated.** If applicable, any carryover funds remaining in a Health FSA account after the end of the Plan Year in which a qualifying event occurred will continue to be available to reimburse health care expenses until the qualified beneficiary's other COBRA coverage (e.g. medical, dental, vision) ends.

HEALTH INSURANCE EXCHANGE NOTICE

This notice provides some basic information about the Marketplace and employment-based health coverage.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. For eligible employees, the health plan offered by the District qualifies as affordable and meets essential coverage standards set by the Affordable Care Act. Because of this, you and your family will not qualify to receive any credits or subsidies if you purchase coverage from a Marketplace, regardless of your income or family size. If you are a seasonal employee, temporary employee or are in your waiting period for benefits and do not have access to other coverage, you may still qualify for reduced premiums through a Marketplace plan.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, the employer contribution –as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage, please review your summary plan description or contact the District's Risk Management office at (775) 348-0343.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

SPECIAL ENROLLMENT RIGHTS

HIPAA requires we notify you about your right to later enroll yourself and eligible dependents for coverage in Washoe County School District's health plan under "special enrollment provisions" briefly described below.

- **Loss of Other Coverage.** If you decline enrollment for yourself or for an eligible dependent because you have other group health plan coverage or other health insurance, you may be able to enroll yourself and your dependents under the Washoe County School District's health plan if you or your dependents lose eligibility for that other coverage, or if the other employer stops contributing toward your or your dependents' other coverage. You must request enrollment within 31 days after you or your dependents' other coverage ends, or after the other employer stops contributing toward the other coverage.
- **New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you gain a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents under Washoe County School District's health plan. You must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption. In the event you acquire a new dependent by birth, adoption, or placement for adoption, you may also be able to enroll your spouse, if your spouse was not previously covered.
- **Enrollment Due to Medicaid/CHIP Events.** If you or your eligible dependents are not already enrolled in Washoe County School District's health plan, you may be able to enroll yourself and your eligible dependents if: (i) you or your dependents lose coverage under a state Medicaid or children's health insurance program (CHIP), or (ii) you or your dependents become eligible for premium assistance under state Medicaid or CHIP. You must request enrollment within 60 days from the date of the Medicaid/CHIP event. The CHIP Model Notice containing additional information about this right as well as contact information for state assistance is included in the CHIP Model Notice.

Please contact the Risk Management office at (775) 348-0343 for details, including the effective dates of coverage applicable to each of these special enrollment provisions. Additional information regarding your rights to enroll in group health coverage is found in the applicable group health plan summary plan description(s) or insurance contract(s).

THE WOMEN'S HEALTH & CANCER RIGHTS ACT OF 1998

In the case of an employee or dependent who receives benefits under the plan in connection with a mastectomy and who elects breast reconstruction (in a manner determined in consultation with the attending physician and the patient), coverage will be provided for:

- Reconstruction of the breast on which mastectomy has been performed, including nipple and areola reconstruction and re-pigmentation to restore the physical appearance of the breast;
- Surgery and reconstruction on the other breast to produce a symmetrical appearance;
- Prostheses; and

WASHOE COUNTY SCHOOL DISTRICT

Medicare Part D Creditable Coverage Notice

IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Washoe County School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Washoe County School District has determined that the prescription drug coverage offered by the District is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year on October 15 to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current District coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current District coverage, be aware that you and your dependents will be able to get this coverage back. For information about reinstatement to the District coverage, please contact the Risk Management office at (775) 348-0343.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as

long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage

Contact the Risk Management Office at (775) 348-0343. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the District changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772- 1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “**balance billing**.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have the following protections:

You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.

Your health plan generally must:

- Cover emergency services without requiring you to get approval for services in advance (prior authorization).
- Cover emergency services by out-of-network providers.
- Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
- Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed, the federal phone number for information and complaints is: 1-800-985-3059. Visit www.cms.gov/nosurprises/consumers for more information about your rights under federal law.

YOUR RIGHT TO FILE A COMPLAINT WITH THE PLAN OR THE HHS SECRETARY

If you believe that your privacy rights have been violated, you may complain to the Plan in care of the following officer: (Washoe County School District Employee Benefit Manager, PO Box 30425 Reno, Nevada 89520-3425, (775) 348-0343, Riskmanagement@washoeschools.net).

You may file a complaint with the Secretary of the U.S. Department of Health and Human Services, Hubert H. Humphrey Building, 200 Independence Avenue S.W., Washington, D.C. 20201.

The Plan will not retaliate against you for filing a complaint.
