

NSHE Native American Fee Waiver

Request for Waiver of Registration, Laboratory and Other Mandatory Fees

(Effective Fall 2021)

General Information: The Nevada Board of Regents provides a waiver of certain fees related to registration to a Native American student who is a member of a federally recognized Indian tribe or nation, all or part of which is located within the boundaries of Nevada, or who is certified by the enrollment department of such tribe or nation or by the Bureau of Indian Affairs as being a descendant of an enrolled member of such tribe or nation, all or part of which is located within the boundaries of Nevada, regardless of member status. An NSHE institution shall waive registration, laboratory and other mandatory fees for eligible students pursuant to *Title 4, Chapter 17, Section 15* of the *Handbook*. To determine if you are eligible, complete this form and provide the required documentation to your institution's designated office as listed below on page 2. The institution may request additional information or documentation to verify eligibility.

The amount of the waiver must be equal to the balance of registration fees, laboratory fees, and other mandatory fees assessed against the student that remain unpaid after the student's account has been credited with the full amount of any federal education benefits to which the student is entitled to for that semester; or if a student is not entitled to receive any federal education benefits for a semester, the full amount of the registration fees, laboratory fees, and any other mandatory fees assessed against the student for that semester. Federal education benefits include federal grants including but not limited to Pell Grant, Federal Supplemental Educational Opportunity Grant, TEACH Grant, and any federal educational benefits.

Eligibility Requirements – Student must meet all of the following:

- Is admitted to an NSHE institution;
- Has been a resident of Nevada for not less than one year;
- Shows proof of membership or proof of descendency of a member of a federally recognized tribe or nation, all or part of which is located in the State of Nevada;
- Enrolled in a program leading to a certificate, associate, bachelor's, master's, doctoral, or professional degree;
- Completes the Free Application for Federal Student Aid (FAFSA); and
- Have earned a minimum 2.0 semester GPA during the immediately prior fall/spring semester or summer term at the institution for which the waiver is being requested (for returning students).

For students meeting the above eligibility requirements, the fee waiver will be applied to unpaid registration, laboratory, and other mandatory fee charges after federal education benefits have been applied to the student's account. Students who have any available federal education benefit but choose to defer use of those benefits are not eligible for this fee waiver.

Continuing Eligibility: To remain eligible for the fee waiver, the student must maintain at least a minimum 2.0 semester grade point average (GPA). A student with less than the required 2.0 GPA may reinstate eligibility by subsequently enrolling without the fee waiver and meeting the GPA requirement. The fee waiver will then be reinstated for the immediately subsequent fall or spring semester. While the waiver may not be used in summer term, students may use the summer GPA for reinstatement purposes.

Provided the student remains continuously enrolled during fall and spring semesters, this form must be completed and submitted to the institution's designated office only once. If the institution determines the student is eligible for the waiver, the student must complete the FAFSA each year for which the fee waiver is desired. If there is a break in enrollment, the student must submit a new fee waiver form.
