# Steps to Enroll: for New Degree Seeking Students

[stepstoenroll.tmcc.edu](http://stepstoenroll.tmcc.edu) 775-673-7111

These Steps to Enroll for **New Degree-Seeking Students** were developed to support your success at TMCC. If you are seeking a degree and have never been to college, including TMCC, you must complete these steps before you can register for classes.

## 1 Apply for Admission

Complete a TMCC [Application for Admission](#) and view important [dates and deadlines](#). If you have questions, please [contact the Admissions and Records Office](#).

## 2 Apply for Financial Aid

Get help with your college expenses by completing the online [FAFSA](#) [↗](#) by these priority deadlines: July 1 for Fall, Dec. 1 for Spring, and April 1 for Summer. TMCC offers many sources of financial aid. In addition to completing your FAFSA, check out these [scholarship options and resources](#). If you have any questions or need assistance, [contact the Financial Aid Office](#).

## 3 Complete New Student Orientation

[New Student Orientation](#) is completed online and provides information on the catalog, English and math placement, how to enroll, what classes to take, and preparation for your first semester.

## 4 Register and Pay for Classes

Class registration and payment are completed through [MyTMCC](#) using your TMCC username and password. Check out our [payment options](#) for additional resources.

## Recommended Steps for Success

### 1 Know Your Username and Password

You will use your TMCC username and password to log in to [MyTMCC](#), [Canvas](#), [↗](#) and your TMCC [student email](#). If you need assistance with your username or password and you know your Student ID number, visit the [online self-service tools](#). If you do not know your Student ID number or would like additional registration assistance, contact New Student Services at 775-673-7111.

### 2 Log On and Get To Know Canvas

[Canvas](#) [↗](#) is TMCC's online student learning management system. New Student Orientation and many of your college professors use Canvas to provide instruction. Need Canvas assistance? Complete the [Getting Started with WebCollege](#) [↗](#) tutorial.
