

## 2020-2021 Fourth Grade Supply List

In order to ensure safety and cleanliness in the classroom, your child will keep their own supplies in a pencil box or pouch. We are asking that your child keep the following items in their pencil box/pouch to use in the classroom daily: 5 sharp pencils, extra erasers, 1 glue stick, 1 scissor, 1 expo marker, 1 mini white board eraser, and 1 handheld pencil sharpener.

Please do not send anything beyond this list to the classroom as we do not have the capability to store excess supplies. Please keep extra supplies at home and restock when necessary. Be sure to label supplies with your child's name.
