

## Thunderbolt Carry On Baggage

During this school year, lockers will be available to anyone who wishes to reserve one. This will take place during the first weeks of school, until then students will need to use a backpack. Backpacks must be stored on the back of, or beneath student's classroom chair during class. It is important to keep the school supplies that a student carries to a minimum.

- A two inch binder
- 10 dividers (5 math, 5 ELA)
- Two 100 page composition notebook with lined paper
- One composition notebook with graph paper
- Highlighters or colored pencils for annotations
- Pens and pencils

Optional but recommended:

- Computer stylus *-not required but helpful*
- Earbuds
- Hand sanitizer—*we have multiple stations and bottles in each classroom—but is handy for personal use.*

\*Technology Rich ---not 1:1 Technology: Students will not have an individual computer checked out to them. There will be computers in every classroom for student use. Students will not bring them home. They will only need their supplies in their backpack.
