Millennium scholarship

REWARDING NEVADA'S
STUDENTS FOR BEING AT
THE HEAD OF THE CLASS.

HOW DO I BECOME A MILLENNIUM SCHOLAR?

Students will be eligible when **all** the following conditions are met:

- Graduate with a Nevada high school diploma**
- Earn at least a 3.25 GPA (weighted or unweighted) or a qualifying test score of 1070 on the SAT or 21 on the ACT. ACT superscores are not accepted. Only composite scores from a single test date will be considered.
- Complete the following core curriculum: 4 units in English, 4 units in Math (including Algebra II or higher), 3 units in Science, 3 units in Social Science or History
- Be a Nevada resident for at least two years of their high school career

All requirements must be met by the date of high school graduation.

MATRICULATION PROCESS

There is no application process for traditional students that graduate from a Nevada public, private or charter high school. Students qualify by meeting the eligibility requirements listed above. High schools and school districts submit student information for those who have qualified upon high school graduation.

SCHOLARSHIP DISBURSEMENTS

To receive the benefits of the Governor Guinn Millennium Scholarship (GGMS), students must enroll in an eligible institution of higher education in Nevada. Please note, receiving the Millennium Scholarship does not guarantee admission to any of Nevada's eligible in-state institutions.

To receive scholarship disbursements as a Millennium Scholar:

- Students must be enrolled in a program of study leading to a recognized associate degree, baccalaureate degree, or pre-baccalaureate certificate.
- Students must be enrolled in at least 9 semester credits at an eligible community college or 12 semester credits at another eligible institution.

MAINTAINING ELIGIBILITY

To maintain eligibility for the GGMS, students must meet three requirements at the end of each semester for which they receive funding.

To maintain eligibility as a Millennium scholar:

- Students must make satisfactory academic progress in their program of study.
- Students must earn at least a 2.75 semester GPA.
- Students must complete at least 9 semester credits at an eligible community college or 12 semester credits at another eligible institution.

If a student fails to meet the minimum requirements in any semester for which they received funding, the student will receive a strike, and the scholarship will be suspended. Eligibility for the Millennium Scholarship can be regained by meeting all the requirements listed above in a subsequent semester. If loss of eligibility is incurred a second time, the student will be permanently removed from the program.

All requirements for the scholarship are outlined in Nevada Revised Statutes Chapter 396, Board of Regents Handbook Title 4 Chapter 18, and NSHE Procedures and Guidelines Chapter 12.

*This information is subject to any changes in State law, policies adopted by the NSHE Board of Regents, availability of funding, and any related matters thereto.

**Applications for students who did not graduate from a Nevada public, private or charter high school can be found on the GGMS website www.nvggms.gov.

*** A qualified SAT/ACT score only replaces a GPA below 3.25. Students are still required to meet the other requirements.

5 REASONS

YOU SHOULD FILL OUT THE FAFSA

Not really sure whether you or your child should fill out
the Free Application for Federal Student Aid
or whether it affects you?

You should — and it probably does.

1

IT'S FREE.

The FAFSA doesn't cost anything to complete.

2

IT'S EASY.

The application has been majorly simplified over the past few years —
and there are helpful pointers throughout.

3

IT'S FAST.

It takes most students just 23 minutes to complete the FAFSA:
less time than it would take to watch your favorite show.

4

YOU PROBABLY QUALIFY.

More people qualify for federal student aid than you think —
chances are, you're leaving money on the table by not applying.

5

IT MAY BE REQUIRED.

Many states, schools, and private scholarships require you to submit
the FAFSA before they'll consider you for any financial aid.

**NOW THAT YOU HAVE THE FACTS — SHARE THEM
AND THEN HEAD TO [FAFSA.GOV](https://fafsa.gov) TO GET IT DONE.**

Scan the QR

to make your **FSA ID**.

IMPORTANT- you will use this ID each
year, so make sure it is something you will
remember!

We suggest you make your account **ASAP**.
