Class Supply List

I will have basic supplies as we start the year, however school shopping was always my favorite thing to do (who am I kidding, it still is!). I want our class to enjoy being in school and getting to have some "fun and special" supplies helps make their school experience that much brighter. These are completely optional, and if you opt not to bring in extra supplies for your child, please know I will provide them with all the basic supplies for the year. Please label your child's supplies with their name and first initial of their last name. I will place all together next week. These additional optional supplies are just for your child, so no sharing!
