

First Grade

POD A SUPPLIES

We are so excited to be your child's first grade teacher. This year Pod A is asking for a few supplies along with a class fee. Most supplies have already been purchased. Whatever supplies are brought to the class will then be turned into communal supplies (no need to label your child's name on them). Please see the list below for our supply requests and class fee.

We look forward to meeting everyone and the fantastic year ahead!
