

Dear Incoming Kindergarten Families!

We are looking forward to meeting you and your children at kindergarten screening in August and beginning this new adventure together. There will be no supply list for kindergarten. You will just need to bring a \$40.00 class fee to their screening appointment. (You can bring cash or a check made out to: John Bohach Elementary School)

The class fee will cover the following:

- **Daily class supplies** (i.e. Glue sticks, dry erase markers, scissors, crayons, pencils, take home folder)
- **Classroom supplies** (i.e. Wipes, tissues, Ziploc bags, journals; Art, ELA, math and social studies/science supplies for projects over the course of the school year)

We hope to make life easier on all of you by taking this off your plate. It allows us to get the same supplies for each child and get everything organized prior to our first day of school - which helps us with our management and planning for our first weeks back.

See you in August 😊

Ms. Gaynor, Mrs. Avina, Mrs. Todd & Miss Noel
