

Welcome To First Grade

Mrs. Williams

I am so excited to be your child's first grade teacher. I do not send out a traditional supply list. Supplies have already been purchased and I am just asking for a classroom fee of \$30. This will cover the initial supplies and all future supplies for the rest of the year. The class fee does not include the \$10 tech fee. In total I am asking for \$40. The only things I would like you to purchase is a water bottle, and a pair of over the ear headphones.

If you are willing to donate the following based on your child's birth month that would be really appreciated but not required.

January, February, March, April – Kleenex

May, June, July, August – Paper Towles

September, October, - Sandwich Ziploc

November, December –Gallon Ziploc

I look forward to meeting everyone and the fantastic year ahead!
