

Distance Learning For Teens @

Come hang at our teen center for your out-of-school days. We'll have laptops, wifi and staff to help tutor, or guide you through this 2020 school year.

No school work? Cool. We have table games, Club programming, music, food and more to curb your boredom. Masks will be required and social distancing will be enforced for your safety.

The Club Teen Center is for teens 13-18

Visit [BGCTM.org/teen-program](https://www.bgctm.org/teen-program) for locations, hours & more
