**READING, Grades K-3 >> Required under Nevada Read by Grade 3** (state accountability, NRS 388.157 and NAC 388.660)

Kindergarten: **MAP Growth: Reading K-2**; Mandatory--Winter & Spring only

Grade 1: **MAP Growth: Reading K-2**; Mandatory--Fall, Winter & Spring

Grades 2-3: **MAP Growth: Reading 2-5**; Mandatory--Fall, Winter & Spring

Optional: MAP Reading Fluency, available for K-3; year-long, not confined to MAP Growth testing windows

**MAP Proctor Information**

**Tip 1:** Sessions are created and managed through a school proctor account (e.g., Proctor1@School). The account that creates the session is the same account that must run the session.

**Tip 2:** System will be available to create test sessions starting the day before the administration window opens. Test sessions can be created the same day of testing.

Fall window: **8/18/2023 - open to create test sessions only; NO TESTING**

Winter window: **12/1/2023 - open to create test sessions only; NO TESTING ON THIS DAY**

Spring window: **5/3/2024 - open to create test sessions only; NO TESTING ON THIS DAY**

>>MAP Growth Reading is administered in grades K-3 as required by Nevada Read by Grade 3

>>REMINDER: Between MAP Growth administration windows, screening tests are available to use with students not tested during the previous window.

Screening tests are shorter in length, do not provide goal area scores, and will not be included in reports that measure growth. Screening test data are not imported into IC.
