How is College different from High School?

- ▶ You set your own schedule
 - ▶ Classes on specific days, flexible times, etc.
- ▶ Classes are credit based and different (most 3 credits)
- ▶ 1 credit = amount of time IN class
- ▶ Expect to do 1-3 hours of homework **OUTSIDE** of class **per credit**
- ▶ A lot of responsibility on the student to make sure they are in the right class
- ▶ You pay for the classes
- ▶ Typically, you take 4-5 classes a semester
- ▶ Pick new classes every semester 😊

Application Day

- ▶ **When:** TBA
 - ▶ Priority for scholarships, financial assistance, classes/schedule
- ▶ **Where:** Here at school, during the school day
- ▶ **What:** Apply to colleges during school with the help of the colleges 😊
- ▶ UNR and TMCC will be here to help, but you can apply anywhere, anytime!

Out of State Colleges & Applications

- College/university must be a part of CommonApp for this to work
 - Double check which schools you want to apply to are on CommonApp or not!
