PROMISE
SCHOLARSHIP
APPLIES HERE!

TMCC Applied Technology Center

Advanced Manufacturing

Troubleshoot and control complex interrelated mechanical and electronic control systems and equipment.

Architecture and Design

Designing and constructing physical structures, using creativity and problem-solving.

Career Tech Edu Leadership

Provides a foundation of knowledge for anyone currently, or planning to be, in a training, teaching, supervisory, or leadership role.

Construction Management

Provides students with a greater understanding of the construction industry, as it relates to residential, commercial, and heavy construction markets.

Drafting

A critical skill for a diverse array of industries, drafting is the development of graphic instructions needed to complete a variety of projects.

Machining

A high-tech profession involving pre-programmed computer software to create and manufacture different tools and machinery.

Apprenticeship

TMCC apprenticeships help students receive on-the-job training with the flexibility that every college student needs!

Automotive

Exploring and understanding the inner workings of various automotive vehicles.

Computer Technologies

Programming, Cybersecurity, Networking, and Web Development are all included in our computer technologies program.

Diesel

Learn the inner workings of various types of diesel vehicles, as well as how they impact our daily lives.

HVAC/R

Learn how to repair and troubleshoot problems in Heating, Ventilation, Air Conditioning, and Refrigeration systems.

Welding

TMCC's welding program gives you the opportunity to become an industry-standard and technically skilled welding technician.

Part 2: Senior Parent Survival Handbook

Mery Mares, MFT, NCC

School Mental Health Professional

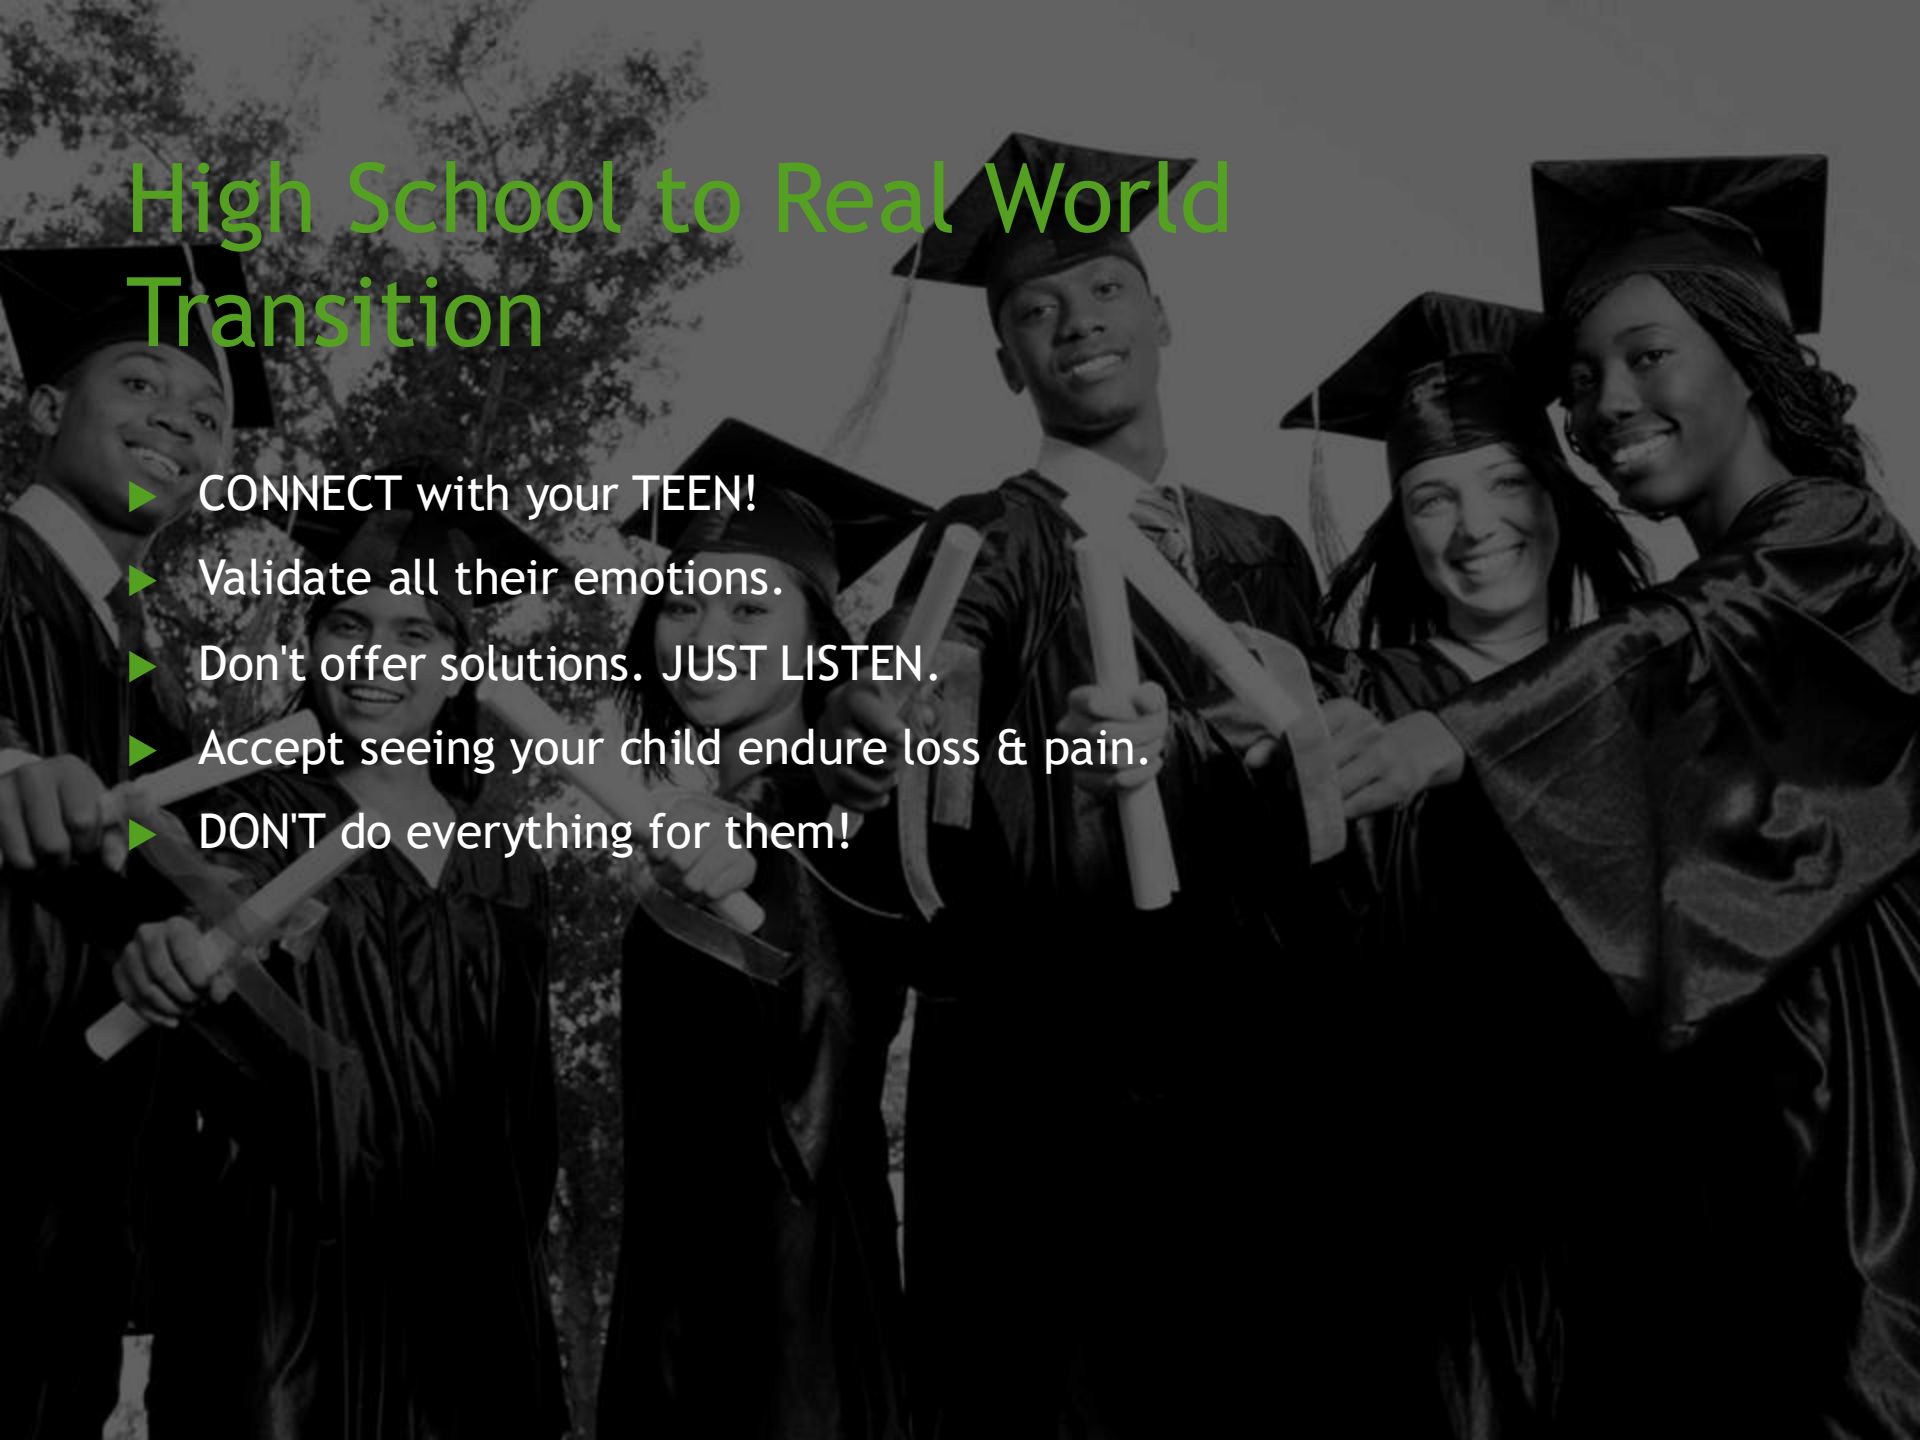

Common Senior Fears/Worries

- ▶ Money!!! (paying bills, paying for college, helping support family)
- ▶ Independence vs dependence
- ▶ Loss/changes of friends
- ▶ Graduation---Am I going to graduate?
- ▶ Adulting!!
- ▶ TRANSITIONS into the real world

High School to Real World Transition

- ▶ CONNECT with your TEEN!
- ▶ Validate all their emotions.
- ▶ Don't offer solutions. JUST LISTEN.
- ▶ Accept seeing your child endure loss & pain.
- ▶ DON'T do everything for them!

The background features a dark blue-grey field on the left, transitioning into a series of overlapping, semi-transparent green triangles and polygons on the right. The green shapes vary in shades from a muted olive to a bright lime green, creating a dynamic, layered effect.
