

# Truckee Meadows Community College

A wide-angle photograph of a college campus. In the foreground, a large green lawn is bisected by a light-colored concrete walkway. Several students are walking along the path and on the grass. In the background, there are several modern, multi-story buildings with large windows and flat roofs. The sky is blue with some light clouds.

## Jump Start Dual Credit Program

# Dual Credit

- **TMCC's Dual Credit Program allow high school students to earn college credit and high school credit at the same time.**
  - **9-12 grade**
- **High school students have the opportunity to take college credit classes taught either by a TMCC Faculty member or qualified instructor at their high school.**
- **Dual credit students can graduate earlier from college as they are accumulating many of the needed credits during high school.**

# Credit Transferability

## High School

- Each school district, or in some cases high school, determine what type and how many credits students receive for each college class.
  - We highly encourage students to work with their high school counselors to learn how their credits will be applied to their high school transcript.
- WCSD has a comprehensive list of how credits are accepted.

## Colleges/Universities

- Most TMCC classes will transfer to other colleges within the Nevada System of Higher Education (NSHE).
- Students must check with the other colleges/universities Admissions office to make sure their classes will transfer without issues.

**Concurrent  
Enrollment**

**Cohort  
Classes**

**J2TMCC**

# Concurrent Enrollment

- **Classes are taught in person or online by a qualified high school instructor.**
- **Enrollment is restricted to a selected group of students who may earn dual credit.**
- **Classes are selected based on the high school needs/students interest.**
  - **To determine if these classes are being offered at your high school, please reach out to your high school counselor.**
- **\$75 per class (no other fees)**

# Cohort Classes

- **Classes are taught in different modes (in-person, online, web-live, hybrid) by a TMCC faculty member.**
- **Enrollment is restricted to a selected group of students who may earn dual credit.**
- **Classes are selected based on the high school needs/students interest.**
  - **To determine if these classes are being offered at your high school, please reach out to your high school counselor.**
- **\$ 85 per credit (plus per credit tech fee and any special fee associated w/class)**

# J2TMCC - Jump Start to TMCC

- **Classes are taken with the general TMCC population.**
- **Students can take the classes in various formats such as in-person, online, web-live, or hybrid.**
- **Students take classes for dual credit/personal interest/advancement.**
- **\$ 85 per credit (plus per credit tech fee and any special fee associated w/class)**

# What Classes Can I Take?

**Students can enroll in any class TMCC offers if:**

**→ You meet class prerequisites**

**→ The class has open seats**

**TMCC Class Schedule: [schedule.tmcc.edu](https://schedule.tmcc.edu)**

## **Popular Classes**

- **English**
- **Math**
- **Psychology**
- **Science classes**
  - (CHEM, BIOL, ENV)
- **Political Science**
- **Business**
- **Computer Science**
- **Economics**
- **Spanish**
- **History**

# Registration and Mandatory Fees

- \$75 per class is only for concurrent enrollment
- All other classes are \$85 per credit (plus per credit tech fee and any special fee associated w/class)
- Students are responsible for class materials/textbook

## Example: ENG 101 (3 credit class online)

High School College Student	College Student
Registration fee: \$255 (\$85 per credit)	Application fee: \$20 (one-time)
Tech fee: \$28.50 (9.50 per credit)	Registration fee: \$355.50 (\$118.50 per credit)
Online fee: \$15	Tech fee: \$28.50 (9.50 per credit)
	Online fee: \$15
	Health and Sport fee: \$15 (\$5 per credit)
	Student Association Fee: \$3 (\$1 per credit)
Total: \$298.50	Total: \$437

Only for  
Cohort  
and J2

(Tuition is subject to change.)

# Benefits

- **Begin college early and possibly graduate early from high school.**
- **Students learn valuable skills such as managing time, planning a schedule, prioritizing deadlines.**
- **Explore Academic Interests.**
- **Gain College Experience!**
- **Helps remove barriers for students.**
  - **Save time**
  - **Save money**
  - **Avoid travel**

→ Once a high school student applies to TMCC and are enrolled, they are considered a college student and have access to TMCC student support services.

- Fitness Center
- Tutoring Center
- Library/Computer labs
- Counseling Center
- Advising
- Wizards Warehouse
- Disability Resource Center (DRC)
- Career Hub
- Testing Services
- Web College (Canvas)

# Student Responsibilities

- **Students are responsible for all registration fees and other mandatory fees.**
- **Understand how TMCC classes are used to complete high school requirements.**
- **College classes require more work and greater level of independence compared to high school classes**
- **Failing classes will have future consequences to GPA, Financial Aid, etc.**

# Family Educational Rights and Privacy Act - FERPA

- **Truckee Meadows Community College is required by federal law, regardless of age, to keep student record confidential.**
- **Without the student's express permission, TMCC cannot share student records with anyone but the student (or appropriate College employees, high school employees, or Dual Credit instructors).**
- **Jump Start staff will help students and parents navigate the enrollment process.**
- **Students are the only point of contact with college professors.**

# Commitment

- ✓ Are you mature and disciplined to start college?
- ✓ Can you manage the load of a college level class?
- ✓ Are you independent?
- ✓ Do you manage your time well?
- ✓ Can you handle a flexible schedule and heavy workload?
- ✓ Are you organized without receiving any help from others?
- ✓ Do you attend high school regularly with very few absences?

# How to Succeed

## → Ask for help!

- Do not wait last minute
- Speak with your professor/high school counselor

## → Communication

- Check your TMCC Student email on a daily basis
- Take advantage of office hours with professors

## → Syllabus

- Review for dates and deadlines
- Plan ahead

## → College grades

- Permanent on your college transcript
- Do not get discouraged

# Steps to Enroll: Jump Start Students

**Apply for Admissions: [apply.tmcc.edu](https://apply.tmcc.edu)**

**Complete Jump Start Orientation**

**Complete Permission to Enroll Form**

**Pay for Classes**

**Website: [jumpstart.tmcc.edu](https://jumpstart.tmcc.edu)**

# 1. Apply for Admission

- **Apply: [apply.tmcc.edu](https://apply.tmcc.edu)**
- **Make sure to select appropriate term (Fall, Spring or Summer)**
- **Recommend selecting email to receive Admissions Letter.**
  - ◆ **TMCC Username**
  - ◆ **TMCC Password**
  - ◆ **TMCC Student ID (NSHE)**
  - ◆ **TMCC Email**

## 2. Complete Jump Start Orientation

- Provides guidance and helpful resources to be successful.
- Log in to Canvas with your username and Password found in your Admissions Letter.

**[Tmcc.instructure.edu](https://tmcc.instructure.edu)**
