

Steps to Log into Your Online Course

In order for you to be prepared for your online class that begins soon, please do the following:

- 1** Online courses are accessed through the internet. The platform WebCollege uses is called **Canvas**.
- 2** Go to <https://tmcc.instructure.com> to login to Canvas.
- 3** Use the same username and password that you use for MyTMCC to log into Canvas. If you do not know this information, please call **775-674-7576**.
- 4** Once you have logged into Canvas, look on the dashboard for the big square that says **WebCollege Online Tutorial**. Select the square and review the video. This video will provide you with information about how to access your online course and introduces Tamara Anderson, the Retention Specialist for WebCollege.
- 5** After watching the video, select continue, read the information provided and continue through the course to review how to use Canvas and tips and tricks for a successful semester. You can also select modules on the left hand side to review information on getting started with your online course.

You are now ready to start your online class at TMCC!

Be sure to login to your course on the **FIRST DAY** of the semester and immediately look at the class **syllabus** and the **modules**. This is generally where **MOST** of your information about assignments can be found. If you have any questions, call **Tamara Anderson at 775-673-8265**. She can help you login and learn to navigate your course.
