Date

Dear Mr./Mrs.

Your student has been suspended for a violence offense. It is the policy of the Washoe County School District that the students suspension may be modified if you and the student attend the Violence Intervention Program offered by the school district. Participants are required to attend four consecutive sessions dealing with anger management, conflict resolution, legal issues and violence as a societal problem. Parent and student are to begin intervention class sessions on the first Thursday after completion of the suspension or approved as directed by administrator, The sessions are led by school district personnel and community experts.

A parent or legal guardian is required to attend with the student. Due to space and program content please do not bring any other children other than the student assigned to the program.

The sessions are held on Thursdays, 7:00-9:00 p.m. Wooster High School, 1331 E Plumb Ln, Reno, NV 89502 BUILDING A Registration begins at 6:45 p.m. No one will be admitted if they are late. Classes begin promptly at 7:00 p.m.

This course is an alternative education step in an attempt on the part of the school district to help alleviate a very serious problem in today's society. We do realize that time conflicts can occur, but only absences excused in advance with the Counseling Coordinator will be allowed. Accumulated unexcused absences may result in the student being suspended.

Sincerely,
