

NOTE: The following resources have been compiled in an effort to support ongoing learning and development for Specialized Instructional Support Personnel (SISP) through access to online professional development, including webinars, resources, toolkits, and other valuable information. SISP include school social workers, school counselors, and school psychologists in addition to other student support professionals (see [NRS 388.890](#)).

This document is in no way comprehensive and inclusion of any resource in the links below does not constitute an endorsement by the Nevada Department of Education. This document will be updated and shared regularly – if you would like to suggest additional resources or information for inclusion please email Amber Reid at areid@doe.nv.gov with a brief description and a link to the resource or information.
