

Important

Permission for Class Pictures

You are receiving this notice because you marked “Yes” on Withhold of Release of Student Directory Information when you completed your student’s Online Enrollment. This means that your child/children will not be able to be in the classroom picture and yearbook.

Examples of directory information are:

- Name, address, telephone listing, electronic mail address
- Date and place of birth, photographs
- Enrollment status
- Dates of attendance
- Grade level

According to the Federal Family Educational Rights and Privacy Act of 1974, directory information about students may be released by the district without parental consent, provided annual notification has been given and the school does not have on file written denial to release directory information; however, schools do use discretion when they receive requests for directory information and will not release such information if it is the principal’s judgement that releasing such information would not be in the best interest of the student.

If you would like to change the designation to “No” so that your student/students may have their pictures included, please sign below and return to school.
