Club Corner

Congratulations to Emelina and the entire Native American Club at Reed for a successful fry bread sale and contribution to the school's Multicultural Celebration. It was great to see Reed's culinary arts program support with the making the fry bread. And amazing to see our young people dancing and sharing culture with the whole school!

STUDENT SPOT LIGHT

Caiden

Caiden is a senior at AACT. In addition to being a strong student in the Video Production program, he is also a talented artist. Here he is with some of his art at a recent show, representing his passion for wrestling as well as a self portrait and a fish from Pyramid Lake. We're so proud of all of your accomplishments!

SPRING HAPPENINGS

We've had a busy spring in NYCP. We toured UNR and got to explore the Native American artifacts there. We went to California and explored Cal Poly Humboldt and the College of the Redwoods. We made ribbon shirts with some young men. Finally, we went to New Mexico where we explored a number of colleges, the Pueblo Cultural Center and Gathering of Nations.

We can't wait to get back out there with our students!
