

What Is...

Nevada Career Explorer for Washoe County School District

Nevada Career Explorer (NVCE) is a new, secure, on-line career exploration and coaching tool for Washoe County School District students and staff.

What's your plan?

NVCE helps students better understand themselves, what they want out of work and what kinds of jobs are part of the career pathway they choose...providing the foundation of identifying and planning for careers that best align with their passions, skills, and life goals.

Using self-assessments, activities and discovery tools, students can explore over 900 careers, as well as countless educational and certification

opportunities. NVCE is connected to local, state and national databases to provide connections high-demand industries, as well as the career and college pathways that will get students where they want to go.

Program Features:

- Quick Assessment: Shows you an organized view of personality type and strengths based on answers to a few short questions.
- Interest Profiler: Highlights interests and outlines how they pertain to the workforce.
- Budget Your Life: Create budgets for current income and spending, or plan for the income you'd like to earn with a dream job.
- Choosing an Industry: Search for opportunities based on highest wages, most openings, or most in-demand.
- Up the Ladder: A game-like learning tool that introduces students to fields and future professions that might be of interest.
- Colleges and Training: Search for local opportunities to gain the education and certification needed to enter and progress in a career.

Choose Your Lifestyle

When you select this option, you will be asked a series of questions to help you determine the lifestyle you want to lead and how much it will cost you. When you are finished you can look at occupations that might support that lifestyle.

Pick Your Salary

If you think you know how much money you are going to make, you can work backwards to see if that salary will support the lifestyle you want to lead. If it does not, you can search for alternative occupations that might.

The Educator's Corner

Everything you need to get your users prepared for what's next

NVCE allows teachers to develop, implement, and manage a complete career and transition planning curriculum. This includes the ability to create and assign lessons to students, track student progress and provide feedback. Each student's work is stored in his/her account creating an on-line portfolio which will stay with them from year-to-year—even after graduation!

All WCSD students and staff can access NVCE from any device using his/her email account (these have already been preloaded).

 Sign in with Microsoft Office 365

How to Sign In

Nevada Career Explorer
for → Washoe County School District
