MASTER'S PLUS – TF/TG GUIDELINES

The following guidelines serve as criteria for approval/disapproval for classes to be eligible for movement on the TF/TG Pay Scale. All guidelines must be met before classes can be approved. **Graduate courses and In-service classes (offered through WCSD and the State Department of Education) do not need prior approval.**

1. The course must be offered by an accredited institution.
2. Courses **NOT** approved for TF/TG include: community education and non-degree extension courses; online courses, correspondence courses, independent study courses, courses held outside of the country, or courses that involve travel as part of the activity.
3. The course must be related to current assignment or related to a new (pending) endorsement.
4. Individual must apply 30 days prior to taking the course. Written approval from the In-service Administrator must be granted before the course begins.
5. Only under special circumstances will approval be granted for undergraduate courses also given for graduate credit.
6. Paperwork must be complete. Include copies of course information (i.e., UNR course description) along with dates and times of course.
7. Class meetings must be outside of regular contract hours.
8. Hours of instruction must be a minimum of 15 hours, excluding lunch and breaks.
9. The maximum number of credits approved in one semester is six (6). The maximum number of credits approved in one year is twelve (12).
