Parents and Guardians,

The NIAA Board of Control approved the American Academy of Pediatrics Preparticipation Physical Evaluation forms on January 18, 2023. On April 2, 2025, the Board approved updated language on the forms aligning with the new NIAA Student Eligibility and Participation Position Statement.

The Pre-Participation forms consist of seven pages.

Students are required to submit page 7 of the **Medical Eligibility Form** to the school.

All other pages, the **Health History Form** (available in Spanish), and the **Physical Examination Form** must remain on file with the student's medical provider and are not to be submitted to the school.

The healthcare provider should provide detailed information about any current medication, relevant surgeries or medical conditions, and any affirmative responses from the Health History Form on the sports clearance page entitled **Medical Eligibility Form**. This form will be submitted to the school.

To be clear, the updated form, indicated by the footer date "4/3/2025", must be used beginning April 8, 2025, for all student-athletes, **NO exceptions**.

If you have any questions, please contact your school's Athletic Office.

Thank you.

Padres y Tutores,

La Junta de Control de la NIAA aprobó los formularios de Evaluación Física de Preparación para la Participación de la Academia Americana de Pediatría el 18 de enero de 2023. El 2 de abril de 2025, la Junta aprobó el lenguaje actualizado en los formularios alineados con la nueva Declaración de Posición de Elegibilidad y Participación Estudiantil de la NIAA.

Los formularios de pre-participación constan de siete páginas.

Los estudiantes deben presentar a la escuela la página 7 del Formulario de Elegibilidad Médica.

Todas las demás páginas, el Formulario de historial médico (disponible en español) y el Formulario de examen físico deben permanecer en los archivos del proveedor médico del estudiante y **no deben** presentarse a la escuela.

El proveedor de atención médica debe proporcionar información detallada sobre cualquier medicación actual, cirugías o afecciones médicas relevantes, y cualquier respuesta afirmativa del Formulario de historial médico en la página de autorización deportiva titulada Formulario de elegibilidad médica. Este formulario se enviará a la escuela.

Para que quede claro, el formulario actualizado, indicado por la fecha de pie de página "4/3/2025", debe utilizarse a partir del 8 de abril de 2025, para **todos** los estudiantes-atletas, **SIN** excepciones.

Si tiene alguna pregunta, póngase en contacto con la Oficina de Atletismo de su escuela.

Gracias.

**DO NOT SHARE** this form with schools or sports organizations. It should be placed into the athlete's medical file.

The Medical Eligibility Form (PAGE 7) is the only form that should be submitted to a school or sports organization.

Disclaimer: Athletes who have a current Preparticipation Physical Evaluation (per state and local guidance) on file should not need to complete another history form.

**I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).**
