All of our presenters!!!

Jennifer DeLett-Snyder and Join Together Northern Nevada (JTNN)

And a special thanks to all of you!

Why Now?

We had intended to bring this to you in April of 2020.

What then seemed urgent, seems even more pressing now given our last year.

Our intent is to support you in building your understanding and capacity to act.

We hope you receive validation for your current work, and see through this how to connect various expectations. This isn't intended to be another layer of expectation.

The Gift of the Present Moment

To quote John Lennon – “Beautiful Boy”

Life is what happens to you

While you're busy making other plans

We need to give ourselves and each other
permission to take care so we are able to best
care for our students and families!

Thank You

Enjoy the Conference
