

2020-2021 Assembly Bill 304

(Data as of: September 17, 2020)

To satisfy Assembly Bill 304, as introduced by the Nevada legislature in 2019, the Washoe County School District has produced this report. This report details course loads and student counts by teacher at all of the schools in the Washoe County School District as of the 30th day in the 2020-2021 school year.

Please know that the 2020-2021 school year has been impacted by the worldwide pandemic of COVID-19, causing some very intricate master scheduling in the schools. Students and families had the option of the In-Person Model, Distance Learning Model or a Hybrid of both. The Schools were tasked with making the master schedule meet the needs of each learning model. Each master schedule is unique and must be analyzed with vigilance.

Small or large class sizes may be attributed to:

- Distance Education courses (Small or Large)
- Team taught (multiple teachers) courses (Large)
- Programs for students with disabilities (Small)
- Programs for English learner students (Small)
- Programs for students that are earning college credit off campus (Small)
- Students in courses titled DISTANCE EDUCATION or LEARNING CENTER are distance-learning programs where students receive education curriculum online in various course subjects. (Larger)
