

# Passports to Proficiency Spanish 3-4

# Washoe County School District World Languages: Spanish 3-4

Each course is divided into nine units of instruction, with five units taught in the first semester and four units taught in the second semester. The units follow scope and sequence of the EMC textbook series, *¡Qué chévere!* The curriculum is meant to provide teachers with a guide for instruction and pacing, following the Nevada Academic Content Standards for World Languages (NVACSWL). Each unit contains a Student Proficiency Passport, where students will demonstrate their language proficiency using various communication strategies. It is up to individual teachers to determine the day-to-day instructional activities for students, while following the approved curriculum guides.

Each course is designed to assist students in reaching a targeted language proficiency level by the end of the year. The American Council on the Teaching of Foreign Languages (ACTFL) developed these proficiency levels:

Spanish 1-2 — Novice Mid  
Spanish 3-4 — Novice High  
Spanish 5-6 (Honors) — Intermediate Low / Intermediate Mid  
AP Spanish Language – Intermediate Mid / Intermediate High  
Spanish 9-10 (Honors) – Intermediate Mid / Intermediate High  
AP Spanish Literature – Intermediate High

A team of World Language teachers from the Washoe County School District created the following curriculum guides in the spring of 2018. The committee included the following WCSD World Language Teachers: Bryan Arciniega, Melissa Carson, Beatriz DePedro-Robles, Matt Herald, Enos Interiano, and Ryan Smith. The Intercultural Communication Benchmarks were adapted from the *NCSSFL-ACTFL Can-Do Statements* document.

# CORE PRACTICES

For World Language Learning

## Facilitate Target Language Comprehensibility

Students and teachers speak, listen, read, write, view, and create in the target language 90% or more during classroom time: comprehensible input, contexts, and interactions.

## Guide Learners through Interpreting Authentic Resources

Present interactive reading and listening comprehension tasks using authentic cultural texts with appropriate scaffolding while promoting interpretation.

## Design Oral Interpersonal Communication Tasks

Teachers design and carry out interpersonal communication tasks for pairs, small groups, and whole class instruction.

## Plan with Backward Design Model

Instructors identify desired results THEN determine acceptable evidence THEN plan learning experiences and instruction.

## Teach Grammar as Concept and Use in Context

Teach grammar as concept and use in context. Students focus on meaning BEFORE form.

## Provide Appropriate Oral Feedback

Oral corrective feedback is a tool for mediating learning and language development.
