

22-23 Registration and Enrollment Instructions for Current North Star Students:

1. WCSD ONLINE REGISTRATION:

All WCSD Parents/Guardians are **required** to complete Online Registration regardless of which school their students plan to attend next year.

It is imperative you complete your Online Registration and Intent to return by April 29, 2022. If you have already completed any part of it, there is no need to contact us to confirm.

Online Registration is not the same as enrolling. This is simply updating your information with the school district and is **required**. Even if you don't know what school your student will be attending next year you still need to do the Online Registration before April 29, 2022.

- Here is the link for Infinite Campus Parent Portal: <https://www.washoeschools.net/Page/10776> for returning students.
- Use your existing username and password for Infinite Campus. If you need help or have forgotten your password for the parent portal, please contact the school at 775-353-6900 or webmail the registrar via Connexus webmail. **Do not create a new account.**
- Once logged into your Infinite Campus parent portal you will find a link for online registration.
- Online Registration only needs to be done once per household and only takes a few minutes.
- If you are not returning to North Star for the 22-23 school year you still need to complete the Online Registration and then contact your new school to enroll with them.
- **Please remember to watch your webmail and our webpage for important updates and information.**

2. North Star Online School INTENT TO RETURN:

- It is vital the parent/guardian completes the intent to return found in the "To Do" list of the **parents** [Connexus login](#). **To reserve your spot at North Star this must be done by April 29, 2022.** We are expecting a very busy 22-23 school year, so it is very important to complete your enrollment.
- You will have the choice of "YES", "NO" and "UNDECIDED". If you choose NO please fill in the name of the school you will be attending in the provided box.
- If you are returning and your student will be in 9-12th grades, you must complete a course selection form. Please go to <https://www.washoeschools.net/Page/11113> and follow the instructions for submitting your course sheet.
- If you choose "Undecided" and do not notify North Star of your enrollment decision you will be considered a North Star student and remain enrolled for 22-23.
- If you have already contacted a new school to enroll you still need to complete the Intent.
- If you have contacted your zone school and enrolled with them for 22-23 you have been dropped from North Star for 22-23 regardless of what you indicated on your intent to return. Once our enrollment closes, we will not be reenrolling former students.
- If you do not know your Connexus parent log in, please contact the office at 775-353-6900.
