STORIES FROM SCHOLARS

Hi North Stars! My name is Alyssa. I am a junior at North Star and I am the president of the Leadership Club.

North Star Leadership has created an Instagram page for students and parents to stay up to date on all the fantastic things that are happening at the North Star Campus, helpful reminders, fun posts, interviews with staff, etc. This is a fun, easy way to stay involved at North Star!

@NORTHSTARWCSD

We are starting something called "Takeovers". Takeovers are where a North Star Student shows what their day consists of and all the things that are possible with doing your work online! I will be doing a takeover on March 3rd and 4th so keep a look out on what my day looks like and what yours could too!

Some of the things that you will be seeing on takeover days will be:

- o Going to college classes
- o Going to a job
- o Working from coffee shops and your own home
- o Stopping by the North Star campus
- o A Q&A
- o Going to classes at your zoned school
- o Going to a sports practice
- o And so much more!

If you are interested in doing a takeover, contact Mr. Devaney or Mrs. Riley with any questions or to sign up! If you are also interested in joining the leadership club, contact Mr. Devaney with any questions. We would love to see you get involved!
