

CHANGE LIVES... BECOME A TEACHER!

The Master of Arts in Teaching (MAT) program at Sierra Nevada College is proud to offer licensure programs for:

Elementary Education | Secondary Education
Special Education

Five significant steps towards your new rewarding career in teaching:

- Successfully complete two foundational, graduate-level classes
- Successfully complete ARL internship classroom field experience (20 consecutive days)
- Successfully pass the required Nevada licensure exams
- Obtain a job offer from a Nevada school district
- Receive an ARL license and begin working as a contracted teacher

Alternative Route to Licensure (ARL) teachers can begin teaching as contracted teachers while completing a Master of Arts in Teaching degree at SNC's Incline Village and Reno campuses.

*To the world you might be one person, but to one person you might be the world
... become a teacher!*
