BENNETT ELEMENTARY SCHOOL
2023-2024 SCHOOL PERFORMANCE PLAN

Washoe County School District

Student Success Goal

By Spring 2024 ACCESS (English Language Proficiency Assessment), there will be a decrease of 5% in the Entering phase, which will yield an increase in the Emerging, Developing, Expanding, Bridging and Reaching phases. By Spring 2024 i-Ready Diagnostic, 50% of students will have made their typical growth target based on baseline diagnostic assessment data.

- -

To support students to achieve this goal, we will:
1. Utilize master schedule which allows for grade level common time weekly.
2. We will work closely with the English Learner Department to strengthen our capacity to support classroom teachers.
3. Develop and add to the Professional Learning (PL)/Professional Learning Communities (PLC) calendar opportunities for vertical planning time. A specific walkthrough form will be utilized by administrators to determine areas of implementation of language strategies, which will also provide areas of need for future professional learning.
4. Provide specific professional learning around language acquisition strategies.

Student, Staff, and Family Partnerships Goal

By May of 2024, Bennett will increase the attendance at school events by 25%. By May of 2024, we will decrease the chronic absenteeism rate.

- -

To support students and families to achieve this goal, we will:
1. Schedule family events (Coffee and Conversations, Parent Workshops, etc.)
2. Advertise events using flyers, ClassDojo, ConnectEd, Facebook.
3. Weekly meetings to track attendance concerns and utilize the spreadsheet to track attendance concerns followed by personal calls and home visits.
4. Meet with Admin team, counselor, social worker, and Dean to track and monitor students' attendance.
