## Student Success Goal

Increase student proficiency and growth in English Language Arts (ELA) and mathematics as measured by Smarter Balanced Assessment.

To support students to achieve this goal, we will:

1. Implement iReady to understand student progress, identify learning gaps and provide instruction in learning gaps through the iReady myPath platform.
2. Implement site based and site supported professional development. Bohach teachers will increase knowledge of content and pedagogy by Identifying, developing teacher competencies in and implementation of high yield instructional strategies.

## Student, Staff, and Family Partnerships Goal

Increase favorable responses on Communication with school Question 1: I am kept informed about my child's ongoing learning and progress from 88% to 100% by i-Ready reports following diagnostic assessments in August, January and May.

---

To support students and families to achieve this goal, we will:

1. Send reports home to all students after diagnostic assessments.
2. Utilize parent reports during all parent teacher conferences in fall and spring.
3. Communicate progress to 100% of families during Fall and Spring conferences.
