

CANNAN ELEMENTARY SCHOOL

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

In the area of English Language Arts Foundational Skills, Cannan will increase the number of students meeting grade level expectations by 10% in both the Qualitative Spelling Inventory (QSI) and Oral Reading Fluency in grades 1-5.

In the area of Math, 65% of Cannan students will meet their typical growth as measured by iReady diagnostic assessments.

In the area of language, overall proficiency for English Learner (EL) students with current scores between 1-2.9 will increase by 1 point as determined by ACCESS (language proficiency exam) data. EL students with a current score of 3 and above will increase by .5 points.

To support students to achieve this goal, we will:

1. Build teacher capacity on Foundational Skills during Professional Development.
2. Support teachers in targeting intervention based on student needs.
3. School wide- student math & writing assessments using rubrics every 6-8 weeks- Support teachers in responding to data.

Student, Staff, and Family Partnerships Goal

Increase student capacity to manage emotions and make responsible decisions by implementing the Work Hard, Play Hard initiative. Students earning participation in the monthly Play Hard events will progressively increase throughout the school year. Growth will be measured by our Work Hard/Play Hard tracking system.

To support students and families to achieve this goal:

1. Teachers receive strategies to use with students to promote responsible decision making and managing emotions.
2. Mindfulness & SEL practices are observed in classroom Learning Walks.
3. Teachers schedule Learning Walks with administration team.
