

CAUGHLIN RANCH ELEMENTARY

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

By the next Smarter Balanced assessment (Spring 24), overall performance will increase from 80% to 85% proficiency.

To support students to achieve this goal, we will:

1. Use the Interim Assessments for student practice that aligns to Smarter Balanced.
2. Develop clear homework procedures for Math.
3. Analyze use of Dreambox. Recognize student performance on Dreambox.

Student, Staff, and Family Partnerships Goal

The Family Climate Survey will reflect at least 90% of parents reporting that they are kept informed about their child's ongoing learning and progress by giving parents/guardians opportunities to better understand performance assessments (iReady) and student performance.

To support students and families to achieve this goal, we will:

1. Provide opportunities for parents to better understand assessments.
2. Increase communication to parents about progress reports and other data resources through platforms such as iReady by hosting events and utilizing our website, Class Dojo and Blackboard Connect tools.
3. Survey teachers regarding use of Class Dojo in order analyze how we can better communicate with parents.
