

Roger Corbett Elementary School

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

Increase our students' state testing scores by 6% in English and reduce the total number of students performing at the lowest level.

To support students to achieve this goal, we will:

1. Support teachers working together to create assessments that all students will use.
2. Ensure administration will be in classrooms to see what is working and what needs support.
3. Have administration meet with teachers often to talk about ideas to improve instruction.
4. Students will take iReady tests and complete at least 45 minutes per week.

Student, Staff, and Family Partnerships Goal

Increase teacher knowledge in the use of iReady and ELLevations programs.

To support students and families to achieve this goal, we will:

1. Have administration ensure the work teachers are doing aligns with what our students need.
2. English Language teachers and Special Education teachers will meet with teachers often to strengthen instruction within the classroom.
3. Teachers will engage in iReady training and other professional learning.
