

Michael Inskeep Elementary School

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

Students will increase their Tier I application of knowledge in reading and math. By the next state assessment, reduce the number of non-proficient students in reading and math by 10%. In English Language Arts (ELA), reduce the number of non-proficient students by 15%, and in Math, reduce the number of non-proficient students by 16%.

To support students to achieve this goal, we will:

1. Students will participate in i-Ready diagnostic assessments three times/year, and we expect to see an increase in the number of students making growth each time.
2. The i-Ready assessment will allow teachers to inform teaching and learning through deep insights into students' strengths and areas for targeted instruction and provides a full picture of student growth, with measures to help put students on a path toward grade-level proficiency.
3. Students will participate in Oral Reading Fluency (ORF), Primary Spelling Inventory (PSI) / Qualitative Spelling Inventory (QSI), and Sight Words 3x/year and tracked on our internal data sheets.

Student, Staff, and Family Partnerships Goal:

Evaluate our Positive Behavioral Interventions and Supports (PBIS) system for alignment with students, staff, and families being connected on behavior expectations across the campus. 100% of students and staff will regularly participate in Restorative Practices (RP) by implementing community circles.

To support students and families to achieve this goal, we will:

1. PBIS Committee will review and adjust the behavior matrix once a quarter based on minor and major data from Business Intelligence Gateway (BIG). PBIS will also survey grade levels to determine how often circles happen and have training on how to restore at the door.
