

LEMELSON ELEMENTARY SCHOOL

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

By June 2024, 35% of third grade students will be on grade level as measured by their Measures of Academic Progress (MAP) reading score at the 60th percentile and attain proficiency status at a level 3 or 4 on the Smarter Balanced Assessment (SBAC) administered in May 2024.

To support students to achieve this goal, we will:

1. Engage in data discussions about your child's progress and make adjustments to classroom interventions, as needed.
2. Monitor growth in students' reading fluency.
3. Use a tool to monitor teaching and provide feedback on teaching strategies/practices.

Student, Staff, and Family Partnerships Goal

Lemelson Science, Technology, Engineering, and Math (STEM) Academy will show a decrease in physical aggression across grade levels from 73 to 50 physical aggressive events as measured by Infinite Campus (IC) behavior reports.

To support students and families to achieve this goal, we will:

1. Students participate in morning meet-up to establish relationships with staff and classmates.
2. Families will be offered the opportunity for a home visit.
3. Students will solve conflicts through the use of affective (feeling) statements.
