

### Student Success Goal

By June 2024, Lincoln Park will increase the overall English Language Arts (ELA) Smarter Balance Assessment (SBAC) proficiency to 30% school wide. By June 2024, Lincoln Park will increase the overall MATH proficiency to 27% school wide. Lincoln Park will increase the percentage of students growing adequately to 'Catch Up' or 'Keep up' with 'Meets Standard' (Level 3) by 20% on the ELA SBAC and 18% on the Math SBAC.

To support students to achieve this goal, we will:

1. Create a master schedule that facilitates a daily 45-minute block for focused interventions in ELA and Math.
2. Hire a long-term substitute that will commit to remaining at Lincoln Park for the duration of the school year utilizing the Elementary and Secondary School Emergency Relief Fund (ESSER) grant to support Tier I instruction and Interventions.
3. Hire a Teacher Assistant utilizing Title I funding to support Tier I instruction and Interventions.

### Student, Staff, and Family Partnerships Goal

The Student Chronic Absenteeism rate will be reduced from 18% to 13% by June 2024.

To support students and families to achieve this goal, we will:

1. The dean of students and counselor will monitor student attendance by running weekly attendance reports and will communicate with parents regarding student 20-day monitors.
2. The attendance clerk will call daily for all students whose attendance is not verified for that day.
3. Create a reinforcement system for students regarding attendance and progress.
4. The school will celebrate students with appropriate attendance through Recognize Outstanding Achievement and Awards (ROAR) and student recognition.
