

### Student Success Goal

By the end of the 23-24 school year, the percentage of students scoring on or above grade level in kindergarten through fifth grade at Maxwell Elementary, will increase by 10% as evidenced by the iReady Diagnostic 3 results when compared to Diagnostic 1.

To support students to achieve this goal, we will:

1. Providing professional development on best practices for implementing iReady personalized path into daily instruction.
2. Educating parents on the benefits and ways they can support their child(ren) with iReady.
3. Weekly review of student usage, lesson passage rate, and growth.

### Student, Staff, and Family Partnerships Goal

By the end of the 23-24 school year, students at Maxwell will show a decrease in chronic absences of 2% and a decrease in severely chronic absences of 1% when compared with 22-23 attendance data.

To support students and families to achieve this goal, we will:

1. Create Attendance Tracking Sheet and train teachers on the utilization of the Attendance Tracking Sheet.
2. Monitor attendance via BIG to ensure that teachers are submitting the Attendance Tracking Sheet on schedule.
3. Schedule parent conferences to address attendance.
