

ROLLAN MELTON ELEMENTARY

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

From August 2023 to June 2024, Melton's student median growth percentile will increase from 56 to 61 in math and 53.5 to 58 in reading with particular emphasis on closing achievement gaps for students in Hispanic, English Learners (EL), and Individualized Educational Plan (IEP) subcategories.

To support students to achieve this goal, we will:

- Students create goals from i-Ready assessment.
- Students will log in and spend 45 minutes per week using i-Ready in reading and math.

Student, Staff, and Family Partnerships Goal

During the 23-24 School Year, Melton Elementary School will effectively communicate with families and engage families in two-way dialogue on an ongoing basis throughout the school year to support student success and foster shared ownership and decision-making for all stakeholders in the Melton school community. School leaders across the school community will work to engage parents in dialogue, attempting to engage 100% of all parents in some level of communication regarding student success with at least 90% being reached.

To support students and families to achieve this goal, we will:

- Make parent phone calls.
- Document parent connections
- Invite families into the school.
- Provide monthly newsletters.
- Get 100% of families on ClassDojo
