

Silver Lake Elementary School

2023-2024 SCHOOL PERFORMANCE PLAN

Student Success Goal

70% of Silver Lake students will reach their typical growth measure by the third iReady assessment, 35% of students will reach their Stretch growth measure.

To support students to achieve this goal, we will:

1. i-Ready diagnostic (three times a year).
2. Grade level common assessments.
3. Data from classroom walk-through forms.

Student, Staff, and Family Partnerships Goal

During the 2023-2024 school year, we will begin holding school wide events. These events will allow parents to feel welcome, share concerns and give feedback, while supporting relationship building with other school personnel. We will utilize the 2023-24SY as a baseline year to determine attendance and success level of events and calculate a goal for the following year.

To support students and families to achieve this goal, we will:

1. Attendance number at events
2. Parent exit ticket to gauge success level of event
3. Encouragement/Incentivize to complete parent climate survey at end of school year.
