To support students to achieve this goal, we will:

1. Host 3 stipend English Learner (EL) Backward Planning Professional Learning Communities (PLC) opportunities for teachers throughout the year, funded through Title I.
2. Utilize ELLevations strategies and World-Class Instructional Design and Assessment (WIDA) Can Do descriptors when planning and delivering instruction.
3. Implement Access Testing Strategy Folder, provided by EL teachers.
4. Peer observation schedule developed, two days per month, for teachers to observe Guided Language Acquisition Design (GLAD) strategies being taught on campus, funded through Title I.

Student, Staff, and Family Partnerships Goal

Sun Valley Elementary Schools students will have a chronic absenteeism rate of less than 12% for the 2023-2024 school year.

- -

To support students and families to achieve this goal, we will:

1. Student Advisory Panel, "Cocoa and Conversations", to be implemented this year; 3rd-5th grade students are nominated by teachers to be invited to monthly "Cocoa and Conversations" events for students to review school climate survey (Student Climate Survey from 22-23 school year, attendance data, and other ongoing data collection throughout this school year) to provide feedback to administration about their thoughts, ideas, and suggestions for improvements on campus.
2. Schedule Professional Development (PD) for continued Restorative Practices for staff on early release Wednesdays and Professional Learning Days.
