

Student Success Goal

Verdi Elementary will increase student proficiency in English Language Arts (ELA) in grades 1-3 by 5% on this year's Measures of Academic Progress (MAP) assessment.

To support students to achieve this goal, we will:

1. Provide an interventionist to support small group interventions in all grades.
2. Provide whole group interventions to all students by the classroom teacher.
3. Weekly Professional Learning Community meetings to analyze student data to use for planning strategies to meet all student's academic needs.

Student, Staff, and Family Partnerships Goal

Verdi Elementary will increase how students feel about self-managing their emotions by 10% from last year's student climate survey.

To support students and families to achieve this goal, we will:

1. Each classroom will use the Sanford Harmony curriculum.
2. Each classroom will receive guidance lessons from the counselor.
3. All members of the Verdi community will engage in restorative practices, circles, and chats.
