

## Student Success Goal

By Spring 2024, we will increase overall Math scores as outlined: • 3rd grade 4% growth in Math on Smarter Balanced (SBAC) 46% to 50% level 3/4 • 4th grade 5% growth in Math of SBAC 46% to 51% level 3/4 • 5th grade 6% growth in Math of SBAC 44% to 50% level 3/4.

To support students to achieve this goal, we will:

1. Determine essential vocabulary for testing (math).
2. Focus on Claim 1 questions.
3. Practice Performance tasks.
4. Identify specific math problems encountered on the test and review in class (1 a week per grade level).
5. Schoolwide focus on explaining thinking in math.
6. Have teachers identify ways they will embed this work in their week.

## Student, Staff, and Family Partnerships Goal

As measured by the School Climate Survey and a school-created survey measure, we will increase positive response rates in the areas of engagement and connectedness.

To support students and families to achieve this goal, we will:

1. Implementation of community circles in every classroom, at least once a week, and increasing student engagement.
2. Belonging Posters in all classrooms and throughout the school.
3. Posters for each classroom (Zones).
4. The counselor provides Social Emotional Learning (SEL) lessons bi-weekly.
5. Weekly school-wide video to reinforce SEL. (created by the counselor).
6. Teachers and staff use the common language of zones.

## Resources for Parents and Families

### Quick Tips for Parents and Families

**Get involved!** Contact Rachel Kelley for information about volunteering with our school.

**Stay connected!** Let the front office know if your phone number, email, or home address has changed.

**Know your child's teachers!** We are here to support your child's learning journey.
